## Summary

Final-year B.Tech (Computer Engineering, 2026) with strong foundations in **C, Java, Python, DSA, and OOP**. Hands-on with databases, Linux, and DevOps tools. Experienced in team leadership, client interaction, and cross-functional collaboration. Passionate about **clean coding, problem-solving, and software development**, seeking an internship opportunity with Coditas Solutions.

## Technical Skills

- **Languages:** Python, Java, C, C++
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Tools/DevOps:** Git, Docker, VS Code, Linux
- **Concepts:** OOP, Data Structures & Algorithms, DBMS, OS, Computer Networks, SDLC, Agile
- **Communication:** Email, Chat, Video (Zoom, Google Meet)

## Experience

**Chairperson – CSI PCE Chapter** Aug 2024 – Present

- Coordinated 15+ technical sessions and hackathons; mentored peers on Git, SDLC, and CI/CD.
- Delivered DevOps workshop covering pipelines, branching, and code reviews.
- Led a 75-member team to execute campus tech events with 30% higher participation year-over-year.

## Projects

**Real-Time Log Monitoring System** Jul 2024 – Aug 2024

*Python, WebSockets, Flask, HTML/CSS/JS*

- Built a Python-based service to stream, parse, and display live server logs to a web client.
- Implemented robust error handling and diagnostics to speed up debugging.

**E-Commerce Website Clone** Oct 2024 – Nov 2024

*Java, MySQL, HTML/CSS*

- Implemented product listing, session management, and database integration.
- Wrote modular and maintainable code with clear error-handling paths.

## Education

**Pillai College of Engineering, Navi Mumbai** Nov 2022 – Present

B.Tech in Computer Engineering CGPA: 8.20/10 (70%) till Sem IV Expected Graduation: 2026

**Kendriya Vidyalaya, Karanja**

Class XII (PCM with CS): 77.4% (2022)

Class X: 82.8% (2020)

## Certifications

- Spoken Tutorial – PHP and MySQL (IIT Bombay)
- From Excel to Power BI (Coursera)
- Java Data Structures and Algorithms – Masterclass (Udemy)

## Other Activities

- Conducted Drone Workshop for 64 students (assembly and flight training).
- Organizing Team – Smart India Hackathon (Internal Round), PCE.
- Coordinated NSS Cleanliness Drive 2023 with 100+ volunteers.
- Managed outreach for Blood Donation Camp; secured 450+ donors.
